# ABOUT DRUM DR. DOT

Drum Dr. Dot is an African drummer, harmonicist, and singer-songwriter who uses life as her laboratory to craft relatable songs that uplift the spirit. Her lyrics and music touch the soul and leave audiences INSPIRED! Drum Dr. Dot is a psychologist, clinical social worker, and Healer Through Music! Drum Dr. Dot is a vetted artist through the Maryland State Arts Council.

Drum Dr. Dot began as a poet who used African drumming to propel her message through powerful, timeless lyrics. She coined the term "Drumetry" to describe drumming with poetry and created two albums that showcased this work. In 2023, she released her first album as a singer-songwriter, collaborating with the band Roses n Rust. Roses n Rust delivered compelling music and on-point harmonies to create UNBOXED!, an album that showcases Drum Dr. Dot's wide vocal range, themes, and genres. Drum Dr. Dot cannot be pigeonholed into genre. She cannot be put in a box. UNBOXED!
